Dear City Council Members,

This summer on the 9th of August The Color Vibe 5k is planning to visit Gulfport! We are planning to host our event in Jones Park. We have been in touch with city representatives and have a contract to use Jones Park on said date. We would like to request a road closure on 20th Ave. on the south side of Highway 90, on the east side of Jones Park. We request the road to be closed from 8:30 until 11:00 AM, or until the last runner is off the road, which is usually earlier than 11:00.

We are a 5k run company and we have 4 color stations, and a color dance party at the end of the race. 1 or 2 of the color stations will be held on the road. We have contracted out street sweepers to clean up the road after we are done, and will leave the road in the same condition as we found it.

Sincerely,

**Taylor Manning**  
Event Coordinator
